

# CORPORATE PARTNERSHIPS AND SPONSORSHIP OPPORTUNITIES

LGBTQIA Resource Center

**LGBTQIA  
Resource Center**

Lesbian, Gay, Bisexual, Transgender,  
Queer, Intersex, Asexual

The LGBTQIA Resource Center supports the Institute's commitment to inclusive excellence by engaging the campus community in education, advocacy, and outreach for people of all genders and sexual identities.

The LGBTQIA Resource Center facilitated programs and events that served 726 people in the 2023-2024 school year with top representation from graduate and undergraduate programs in Computer Science, Biomedical Engineering, Aerospace Engineering, Mechanical Engineering, Biology, and Business Administration. Our student community is inclusive of undergraduate and graduate students of all majors. Among the 57 graduates recognized at Lavender Celebration this year, Computer Science, Biomedical Engineering, Physics, and Aerospace Engineering were the most common majors. Graduates were planning to continue their education or joined organizations like Goodwill, BASF, Abbott, PwC, and Ecolab.

“When you partner with the LGBTQIA Resource Center, you’re not just supporting individual students; you’re shaping the future workforce and contributing to societal progress for LGBTQIA people.”

**Tegra Myanna**

LGBTQIA Resource Center Director

“I was grateful to our corporate partner, Walmart’s sponsorship and it was rewarding to see how that support translated into an inclusive and interactive make-up tutorial session championing self-expression among the LGBTQIA+ members and allies on campus.”

**Srujan Penta**

Ph.D, Electrical and Computer Engineering

**The LGBTQIA Center seeks corporate partners to engage with students, staff, and faculty throughout the academic year. The following opportunities for sponsorship include:**
